Dear Ms. Dortch and Ms. Flannery:

In accordance with sections 54.809 and 54.904 of the Commission's rules, the attached documents are certifications from representatives of SBC Communications' price-cap regulated telephone companies and the Woodbury Telephone company. In particular, these certifications affirm that all universal service support received by the aforementioned carriers pursuant to the Commission's Interstate Access Support and Interstate Common Line Support mechanisms will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

Should you have any questions about the attached, please feel free to contact me via whatever means is most convenient for you.

Sincerely,
